About

I want to play a crucial role in bringing new creative ideas for the company. I am expected high performance capabilities to take charge of my learning and develop my skills. I want to make a impact for the growth of organization.

Education

Bachelor of Engineering (B.E)-Electronics and Communication Engineering

Chaitanya Bharathi Institute of Technology, Hyderabad- **CGPA 8.1**

|2021-2024|

Senior Secondary (Diploma)-Government polytechnic, Hyderabad - **CGPA: 9.7**

|2018-2021|

Secondary Education- Telangana state residential -**CGPA: 9.7**

|2018|

Internships

➤ IoT Intern |Aug-oct2022|

The National Small Scale Industries |NSIC|

- Designed and developed embedded systems and IoT applications.

➤ Web development

- Gained practical experience in
- front-end technologies:
- HTML, CSS, and JavaScript

➤ Python Development Intern-code clause |mar-may2024|

- Gained hands-on experience in coding, debugging, and problem-solving using Python.
- Learned various Python modules, enhancing skills in data Processing and application development.

Technical Skills

- Programming Language: Python, Sql
- Web development: HTML,CSS
- Embedded systems, Internet of things, Digital System Design
- Office Suite: Word, Excel, PowerPoint, and MS Office tools

Projects

1. Automatic room light controller

Developed an automated light control system using Arduino UNO, Micro-controller, LDR, and IR sensors. The project Aims to design a system that is capable of identifying the number of people presence and automatically control's the room light.

2. Medicine remainder

Designed an IoT-based reminder system using Arduino UNO, 8051 microcontroller, and Tinkercad simulation.

3. Big Mart Sales Prediction

Developed and implemented a machine learning model for big mart sales prediction using python and libraries like scikit-learn and Tensor flow.

4. Portfolio Website

Designed and developed a personal portfolio website using HTML, CSS and responsive design.

Organization

Elective Member, Street Cause CBIT

- Volunteer for an Orphanage and Old age Home Department.
- Meticulously planned & and organized events like Voice of Hyderabad and Vastradhan to help people and to get talents out of them.

Certifications

- Introduction to Computer Networks
- The complete MySQL Boot-camp from Udemy
- Infosys springboard pragathi cohort-4
